HTAA affiliates can put forward the application of one male and one female teacher to be considered for selection by the Simpson Prize Advisory Committee. This Committee will then select the best two applicants to accompany the students on the trip, initially to Canberra in 2019, and to Turkey or the Western Front in April 2019. Those put forward by the HTAA affiliates will be selected on the basis of:

- having students participate in the competition
- the support of the teacher's principal
- two references which comment on the applicant's suitability for a chaperone role in the context of the trip
- an indication in no more than 300 words why he/she wants to be one of the two teachers to accompany the students in April 2019. This should include:
  - excellent interpersonal skills with students
  - appropriate level of physical fitness and health
  - demonstrated expertise in historical enquiry
  - details of how this would enhance their professional learning.

Material to support the application must be attached to this application form and forwarded to your HTAA affiliate by 11 November 2016. The decisions of the HTAA affiliates in nominating teachers and the Simpson Prize Advisory Committee in selecting the two teachers for the trip will be final.

## PRINCIPAL'S ENDORSEMENT (SUPPORTING STATEMENT)

I understand the nature, purpose and conditions of entry for the Simpson Prize Competition.

I support the application by \_\_\_\_\_ to accompany the winning students and commend him/her to the competition organisers as an appropriate person to chaperone, with another teacher, eight year 9 or 10 students on the trip to Turkey or the Western Front. Teacher chaperones will be required to attend a two-day briefing in Canberra in March 2019 in preparation for the April 2019 ANZAC trip. I understand that the cost of teacher replacement to a maximum of \$1000 will be covered by the Prize.
