email—personal			
state	postcode	telephone	

HTAA affiliates can put forward the application of teachers to be considered for selection by the Simpson Prize Advisory Committee. This Committee will then select the best two applicants to accompany the students on study tours, initially to Canberra in early–mid 2023, then to other key historical and commemorative site/s across Australia at a time to be confirmed.* Those put forward by the HTAA affiliates will be selected based on:

- having students participate in the competition
- the support of the teacher’s principal
- two references which comment on the applicant’s suitability for a chaperone role in the context of the study tours
- an indication in no more than 300 words why he/she wants to be one of the two teachers to accompany the students on Simpson Prize study tours.

This should include:

- excellent interpersonal skills with students
- appropriate level of physical fitness and health
- demonstrated expertise in historical enquiry
- details of how this would enhance their professional learning.

Material to support the application must be attached to this form and forwarded by 4 November 2022. The decisions of the HTAA affiliates in nominating teachers and the Simpson Prize Advisory Committee in selecting the two teachers for the study tour will be final.

Once this form is completed—save, print and sign below.

PRINCIPAL’S ENDORSEMENT (SUPPORTING STATEMENT)

I understand the nature, purpose and conditions of entry for the Simpson Prize Competition.

I support this application to accompany the winning students and commend him/her to the competition organisers as an appropriate person to chaperone, with another teacher, eight year 9 or 10 students on Simpson Prize study tours as set out above. I understand that the cost of teacher replacement to a maximum of \$1000 will be covered by the Prize.
